Mr. O. K. Dorn
Henry George School of Social Science
30 East 29th Street
New York, N. Y.

Dear Mr. Dorn:

Thank you for the information which we shall post on the Bulletin Board, also the copy of "Progress and Poverty." Our teachers will read this and place it in the library available for the use of our students.

As I explained to Mr. Gants, it seems as though it will be impossible to further the aims of the Henry George School except by placing the material available before teachers and students. I am sure the discussion will come up in our social science classes, especially economics.

Sincerely yours,

Ernest Greenwood
