121 E. 30th Street
New York, New York 10016

Dear Mr. Venturella:

On behalf of the City of Fairhope, I wish to extend to you and the members of the Council of Georgists an invitation to hold your conference the summer of 1994 here in Fairhope, Alabama. I am sure you are aware that the Fairhope Single Tax Corporation will be celebrating its 100th anniversary in 1994 and your participation would certainly add so much to this occasion.

Fairhope has many things to offer in the way of entertainment for the visitor in the area. We have golfing, swimming, water-skiing, sail-boating or just relaxing on our sunny beaches. If browsing uptown you will find a unique blend of shops with anything you desire, as many of our local people are talented artists in their own field. I am enclosing a brochure on Fairhope and if I can provide further information please don't hesitate to let me know.

Sincerely,

James P. Nix, Mayor
City of Fairhope
