Dear Mr. Dorn,

It was nice to see you
& Mrs Dorn the other evening
at the Henry & George Dinner. I
had wished that we could
have all gotten together
for a little chat - unfortunately
I had previously arranged
to sit at another table.

Several weeks ago I
left the Colgate-Palmolive-Pet
Co. and I now intend
to spend my time lecturing
and teaching - public speaking
It's the work I love and
life is too short to waste
my time on unimportant
things. My lectures, "Jesus,

will be on the ~~King~~ George
Philosophy. I believe in it
and I'm going to let
the world know about it

If Mr. McGinnis has any
plans perhaps we can really
do it on a large scale.
I'd like to organize all the
salesmen throughout the
country on this movement
and we'd put it across
practically over night.

Aids from this idea
I'm enclosing a speech
made in the U.S. Senate on
the healing power of Christian
Science - I think you'll
find it very interesting.
It made a Christian
Scientist out of me.

I'm also enclosing a copy of that newspaper article that Miss Davis gave you to read some time ago. Recently I had some copies made of it on the advice of a publicity man, I know, who claims that if ever I expect to be a successful lecturer I had better publicize my past experiences.

I do hope Mr. Worn that we'll be able to get together some time in the very near future.
