Mr. Marc Bassin Director
Satellite Academy for Career Education
132 Nassau St. Room 414
New York NY 10038

Dear Marc:

As you may recall, last Spring we indicated our desire to hold a three-session (2½ hours per session) In-Service mini-course for your teachers. This course would be based upon the teaching of two simulations - NEWTOWN and CLUG. We feel that any teachers taking the course would then be in a position to play and teach these games to their students.

Would you please let me know which of your teachers would be interested in taking this course? It would be given Tuesday afternoons at the Henry George School beginning sometime in December and ending in January.

So that this course may be given, we need a minimum of five from all of the ten Alternative High Schools. Please contact me at your earliest convenience.

Sincerely,

SR:lk
