For  
Henry George School Christmas Party.

---

May these toasts be hearty  
On this day place their parts!  
They're all in rhyme for Christmas Time.

---

To Henry George

Here's a toast to the mem'ry of Henry George,  
Who showed the world the way  
To have good cheer here all the year,  
Not just on Christmas Day.

---

To Bob Clancy

If absent:       If Bob is away from this meeting  
(In Jamaica or       We transmit our heartiest greeting;  
elsewhere:)       We applaud his decision to go on this mission  
                            But may his absence be fleeting.

If present:       We need Bob here to set the pace  
                            By which we hope to win the race  
                            For George to gain his rightful place,  
                            And so we're very glad to say  
                            That he is home again today!

---

To the Staff of the Henry George School

And here's to the staff of the Henry George School,  
Whose members always make it a rule  
To work for reforms George tried to achieve  
For best use of land and the poor to relieve:  
And so may you all who work for this cause  
Get just what you want from Good Santa Claus!

---

To the Schalkenbach Foundation.

In the Schalkenbach Foundation  
Our faith is never shaken, -  
Its movies and its publications  
Show that George was not mistaken  
And to this truth the world must waken!

---

To Georgists Everywhere.

We further our cause by persuasion  
On each and every occasion:  
We help men to learn  
Nature's Laws they can't spurn  
As Progress resists such evasion.

---

To the Coffee Shop Managers.

Our Coffee Shop workers are grand,  
And so let us give them a hand!
