DENVER, COLO., July 2, 1917.

Mr. Alexander Mackendrick, Sec.,
120 Boylston St.,
Boston, Mass.

My Dear Mr. Mackendrick:

I am inclosing copy of "Single Tax."

November of next year Colorado will vote on state wide single tax and old age pensions to be paid from a land-value tax.

Am very anxious that your league be fully informed concerning our activities from week to week. For this reason, and also to help me personally in building up a good-sized subscription list, I am trying to persuade you to send me a year's subscription to "Single Tax."

For reasons unknown to me some single taxers have undertaken to misrepresent the Colorado situation, and for that reason more than for anything else I am extremely anxious that your club should receive "Single Tax" every week in order that your members may have all the facts and think for themselves.

If it should so happen that your club cannot at this time afford one dollar for a year's subscription, I hope you will not hesitate to so inform me, for in this case I will be gladly to arrange to have it sent free.

Trusting you will favor me with as early an reply as your convenience will permit, I am,

Yours For Single Tax,

Ben J. Salmon

WHAT, when our time comes, does it matter whether we have fared dauntily or not, whether we have worn soft raiment or not, whether we leave a great fortune or nothing at all, whether we shall have reaped honors or been despised, have been counted learned or ignorant—as compared with how we may have used that talent which has been entrusted to us for the Master's service? What shall it matter, when eyeballs glaze and ears grow dull, if out of the darkness may stretch a hand, and into the silence may come a voice: "Well done, thou good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."—
