Franklin Blake,

Soc'y. Mass. Single Tax League

My dear Mr. Blake,

It would give me
great pleasure to be with
you on Thursday evening
to celebrate the eightieth
anniversary of the birth
of that truly great man,
Edward Mc Glynne, if it
were possible.

It seems to me well
to keep fresh the memory

May I send you my dues
for 9/7-8 with extra dollar
which I wish could be more.

of men who have stood
so nobly and confidently
for justice and when the
history of the Single Tax
movement shall be written
his name will stand out in
bold relief.

It was not my pleasure
to ^{hearly} know him but only to
have heard him and shaken
his hand but we can all
know his work and be
inspired thereby.

Very cordially yours

Florence A. Burleigh
