CAMBRIDGE, MASS.,19

Harvard, Mass., July 4, 1915.

Mr. Alexander Mackendrick,
Secretary, Single Tax League.
Boston, Mass.

My dear Mr. Mackendrick:-

Can you tell me when Mr. Bengough, the cartoonist, is to be in Boston, and also what his permanent address is? I want very much to talk with him about a series of cartoon talks which we may possibly want to have him give in the fall, and it will help me very much if you can give me the opportunity to see him when he is here.

I remember with great interest his single-tax lecture, and I am eager to have him do some work for the suffragists, since he is a suffragist and has the plans worked out for the Canadian public.

Thank you very much for the help which I know you will gladly give.

Sincerely yours,

Lewis J. Johnson
