Dear Mr. Mackendrick

I forgot yesterday to say that Mr. Smunnington of Ashland is a Single Taxer too and both Mr. & Mrs. Smunnington should be invited to join the League.

Mrs. Smunnington is President of the Village Improvement Society in addition to what I reported yesterday.

Perhaps a number of blank applications would be well placed in their hands.

Rev. L. L. Beaman, Shelburne Falls, Mass

and W. X. Rice, Green Road, Bolton, Mass.

all men who should get literature suited for farmers in course of a few days. Shearman for instance. I am sending them my little pamphlets this morning and a few days might well intervene.

I am more and more shocked at the unsuitability and perhaps growing unsuitability of George's meetings for not misleading farmers. I do not wonder the cause has gone slowly.

Cordially

L. J. Shearman
