My dear Chas Ingersoll

How I would like to be at  
 your "housewarming" Even if I  
 had the time and money  
 question of I could go - We  
 are at war here - and can't buy  
 foreign Exchange unless it is  
 absolutely necessary to carry  
 on business - To acquire  
 U.S. funds for a pleasure trip  
 is out of the question  
 Hope you are well - as  
 I am but the interference  
 with ones liberty is rather  
 irksome but no doubt sooner  
 or later must help England to  
 beat Hitler or we are finished

Yours

Dear Cha Myeroll.

You may wonder at my silence - as I have not yet replied to yours of Feb 9th - At that time my whole attention was centered in my home where my wife was very ill - She passed away on Feb 13th just 2 months after our only son died. His widow & two children are now my responsibility - without paying any more. You will understand I have had an anxious and a busy winter -

I greatly appreciate the work you are doing and this is to say that I hope to be able to send you 5<sup>00</sup> now and then which you can use in any way you see fit. Enclosure herewith of \$5<sup>00</sup> -

Mr

You are putting out some  
good stuff and hope you  
will get necessary support to  
keep it up—

I am feeling on top of the  
Mountain as Marcus  
Aurelius once advised. but  
my home has been upset  
so much that I have  
scarcely yet found my  
bearings

Best Regards  
A. Nicols

Dear Friends: ...  
Anderson Southam Neilson J. Stebbins

I am writing to tell you that through some fairly good miscellaneous contributions of contributions and dues, and especially through a generous check -- \$50.00 -- from Mr. Lingham, I am encouraged to at once proceed with the "New Democracy"; he, your notes by the offset process, having advantage of the very generous offer of Mr. E. F. Becker, whom I have mentioned in previous letters.

I am sure you will like the looks of this new edition and I hope you will find it worthy of your continuing interest. With kind regards, I am,

Yours sincerely,

P. S. I will enclose a circular letter I am sending to a number of publishers in New Jersey, to secure a regular printed job which will be the next step forward for "Democracy"
