

*I am planning to be at this dinner and hope to see you there*

*Dear H. Guizer*

MEET THE NEW MAYOR

At a dinner given to the Hon. William N. McNair

Mayor Elect of Pittsburgh

at the Town Hall Club, 123 West 43rd St.

6:30 P. M. Thursday Evening, Dec. 21, 1933

Price of dinner including tips \$1.50. Dress informal

Mr. McNair is making a special trip to speak to us. The election of a liberal Mayor, in an ultra conservative city like Pittsburgh, on a Single Tax platform is big News; his message will undoubtedly receive wide publicity.

Pittsburgh now taxes land value for city purposes twice as high as buildings, and Mr. McNair is pledged to remove all taxes from buildings, and place them on land value. He will talk on this subject, and by the way, he is a fine orator.

We have invited the Mayor Elect of New York City, Mr. LaGuardia to be present and greet Mr. McNair.

The seating capacity of the Town Hall Club is limited and the time is short. We suggest that you send in your reservations at once as the time is short and we will be compelled to refuse late acceptances. Make your checks payable to Walter Fairchild, Chairman.
