Dear Mr. Gold:

We were pleased to hear, through Dr. Steven Cord, of your interest in a study of the possible effect of the application of Land Value Taxation. We understand that Dr. Cord referred you to Mr. Philip Finkelstein, of the Center for Local Tax Research in New York.

We hope that all goes well for your study. Should you wish any help locally, this Committee would be happy to oblige. If further information is desired, please contact Mr. Michael Curtis at the above address.

Sincerely yours,

Frank E. Nelson
